Well come on baby one fine day, this time things have gotta be my way
A E F#m
At least you ve got to try this time

F#m
Can t you see that feeling free, ain t enough for pleasing me
A E A
Now you ve got to find the line

A E
Alright you know you ve got it made
A E
And you know you wouldn t trade
A E A E
But any other would slice for even twice the price
A E
You ve got that crystalline ceiling gaze

F#m
You know I m lying low inside, I can t let this moment slide
A E A
Time has come to free your soul

F#m
Well in the kingdom down the road, population s dying slow
A E A
Best to crawl in all their holes

A E
Alright you know you ve got it made
A E
And you know you wouldn t trade
A E A E
But any other would slice for even twice the price
A E

You ve got that crystalline ceiling gaze
