I feel your shimmering eyes into my soul
D E
And your life is all around my time, now don t you know
D E
Every time your sunrise drives my night away
D E
It make my lifetime soar in circles, like the swallows wheeling in the day
D E D E
Now our time can start to run. The hourglass has just begun
D E D E D A B E (2X)
Life was meant for having fun. As we were meant to be

D A B E
I ve been living blind in one eyed land.
D A B E
Among those kings I thought were grand
D A B E D A B E
Till time had opened up my eyes. And there I found to my surprise
D E
That life without you was empty as a nest in winter lie

Break D E (4X) D A B E (7X) Ething (4X) D E

D E
Strolling in the garden, sunshine of a California day
D E
With you by my side, the tears we cried have dried and gone away
D E
The darkness of the Northland, the wintertime has all begun to run
