

Drag My Body
Hot Water Music

Here for a long time, this is my first contribution.

Hot Water Music - Drag my Body

The Song is off the upcoming Album *Exister* , a video is already up on youtube.

The song is based on 4 Chords.

(I think, the second guitar plays the low **E**)

	C#	A	B	E	
e	-----	-----	-----	-----	-----
B	-----	-----	-----	-----	-----
G	--6--	-----	-----	--9--	-----
D	--6--	--7--	--9--	--9--	--2--
A	--4--	--7--	--9--	--7--	--2--
E	-----	--5--	--7--	-----	--0--

From the second verse on, the lead guitar plays a little riff like

(palm muted)

e	-----	
B	-----	on the C#-parts, and also plays them
G	-----	on the A- and B-parts. Listen to the
D	--6-6664--	song, and you ll know, hat I mean ;o)
A	--4-4444--	
E	-----	

Not sure about the tab at the beginning, kind of like that.

Well I got my heart up in a beautiful mess

e	-----
B	-----
G	-----6-----
D	-----6-----
A	---4-----
E	-----

I shouldâ€™ve known better when I took the risk

e	-----
B	-----
G	---9-8---9-8---9-8---9-8-----
D	-----9-----9-----9-----9/11--

A |-----|
 E |-----|

To wreck myself and to gamble while broke

e |---4---4---4---4---4---4---|
 B |-----7---7---7---7---5-----|
 G |-----|
 D |-----|
 A |-----|
 E |-----|

Shaking something mental at a loss for the words Iâ€™d once known

e |-----|
 B |-----5---|
 G |-----6-----|
 D |-----7-----|
 A |-----|
 E |----5-----|

C#

Well I got my heart up in a beautiful mess

B

I shouldâ€™ve known better when I took the risk

C#

To wreck myself and to gamble while broke

A

Shaking something mental at a loss for the words Iâ€™d once known

C#

I traded two steps forward for three steps back

B

To get to know the meaning of showing respect

C#

I found the pedestals and burned them down

A

To kill my idols and to bury the thoughts underground

B

Iâ€™m no longer deaf to the sounds

Chorus:

C# A E B

Iâ€™m hardly feeling human anymore

C# A E B

Enough to drag my body from the floor

C#

Well I got my head up in a critical mess

B

Fighting like a demon in a shell I possess

C#

Gnashing my teeth and speaking in tongues

A

Still shaking something mental at a loss of the words Iâ€™d once known

B

Somethingâ€™s rattling my bones

Chorus:

C# A E B

Iâ€™m hardly feeling human anymore

C# A E B

Enough to drag my body from the floor

C# A E B

Iâ€™m hardly feeling human anymore

C# A E B

Enough to drag my body from the floor

Intermission:

A B A B

A

Stand to hold steady now

B

To take a breath and somehow

A

Take a step to begin again

B

After all we can only do our best

Chorus:

C# A E B

Iâ€™m hardly feeling human anymore

C# A E B

Enough to drag my body from the floor

C# A E B

Iâ€™m hardly feeling human anymore

C# A E B

Enough to drag my body from the floor

A B (ends with Bass)

Stand and hold steady now
