Verse

**F**  
Oh, I for one may not shy,  
**A**  
Away from the fact that I m sick,  
**D** **A**  
And too tired to stand this,  
**D**  
It all seems contagious.  
**F**  
I know a few would back that up,  
**A**  
Can t say a few is not enough,  
**D** **C**  
To skip a beat in this motion sickness.  
**Bb** **C**  
I d second that emotion.
