House of Heroes
VERSE 1
             Am
I could be in love,
if you wore that dress everyday
With your hair just so and your eyes are grey
                        E
You d make a beautiful bird on a line,
a beautiful bride of Frankenstein,
a beautiful drop of iodine...
                                                Am
If you were mine, if you were mine, if you were mine.
VERSE 2
I could be in love,
if the sun came out everyday
and set the sky on fire and the city gray.
                   E
I d be there at the drop of a dime...
If you were mine, if you were mine, if you were mine.
CHORUS
If you were mine I d tear the altar down of all that I ve lost to romance.
If you were mine I d risk my dignity if only to give love a chance.
             C
                  E
If you were mine, I d have the world.
I d have the world, if you were mine.
VERSE 3
I could be in love,
if the sirens sang everyday.
