

**Petal**  
**Hovvdy**

[Verse]

**A**  
Talk with old friends  
                  **F#m**  
Like I need to  
      **A/G#**   **A**  
We look up, feel time  
**B**  
Just smile  
**F#m**      **D**      **B**  
Cuz it s lasting all night  
          **F#m**   **A/G#**  
Did you follow all your  
      **A**      **B**      **D**  
Or is this partly my fault

**A D D/C# D x2**

[Chorus]

**B**      **A**          **F#m**          **B**  
I had a feeling with who you used to be  
          **A**          **F#m**          **B**  
I had a feeling with who you used to be  
          **A**          **F#m**          **B**  
I had a feeling with who you used to be  
          **A**          **F#m**          **B**      **A**  
I had a feeling with who you used to be, for me

**A D D/C# D x2**

[Verse]

**A**      **D**          **D/C#**      **D**  
Look to me with your finger in my  
**A**      **D**          **D/C#**      **D**  
Window so I would roll it down  
**D**                  **A**  
Screaming to 9 to 5

**A D D/C# D**

[Chorus]

**B**      **A**          **F#m**          **B**  
I had a feeling with who you used to be  
          **A**          **F#m**          **B**  
I had a feeling with who you used to be  
          **A**          **F#m**          **B**  
I had a feeling with who you used to be

**A**

**F#m**

I had a feeling with who you used to be

**B A F#m B x4**

**B A D D/C# D**
