

The Puzzles Song
How I Met Your Mother

Intru: B F#

B **G#m**
Puzzles is a place where people go,
E **F#**
to feel like they belong
B **G#m**
Gonna take advantage of dumb drunk girls
E **F#** **G#m**
No we are not (bro), that would be wrong

C# **E**
A place where wit and wisdom bloom
F#
A place to bang chicks in ted's room

Not gonna happening
(**F#** **G#** **F#/A#**)
We'll talk about it

B **F#** **G#m** (**E** **F#** **F#/A#**)
At puzzles we all fit together
B **F#** **G#m** (**E** **F#** **F#/A#**)
On sunny days or stormy weather
C#m **E**
So pull up a chair and sit for a spell
C#m **E**
There s laughter to share and stories to tell
C#m **E** **F#** **B**
Puzzles is a place where everyone feels at home
B
And we bang chicks in ted's room.
