Howard Moss - Moving On (2013)

F, Am, Dm, Bb

(**F**) Time has come and (**Am**) I m moving on
(**Dm7**) Far away from the (**Bb**) town I belong
(**F**) I ve packed by bags (**Am**) and I m out the door
(**Dm7**) No point talking as I ve (**Bb**) heard it before

(**F**) Then down the road, (**Am**) as I shed a smile
(**Dm7**) Freedom calling (**Bb**) once in awhile
(**F**) The sun is out and (**Am**) my mind is clear
(**Dm7**) Time to soak up this (**Bb**) new atmosphere

(**C**) On down the road, (**Dm**) far away from (**Bb**) here
(**C**) Now that it s all become finally all clear

Far away from the town we know
A brand new scene and some different clothes
Time to catch a few new styles
Time to go for the extra mile

(**C**) On down the road, (**Dm**) far away from (**Bb**) here
(**C**) Now that it s all become finally all clear

Chorus

F, C, Dm, Bb x 2 (C)

Then down the road, as I shed a tear
Thinking clearer and I m walking on air
The sun comes out for a short while
It s my call out to the wild

Now I m there and the sun is bright
The sand is warm and I see the light
I feel so glad that I made this choice
Sound of the sea is such a lovely noise

(**C**) On down the road, (**Dm**) far away from (**Bb**) here
(**C**) Now that it s all become (**Dm**) finally all (**Bb**) clear
(**C**) Time to see things a different way
(**C**) My faith grows stronger day by day
