Step Out Of The Void - Howard Moss (Outside The Pale 2013)

(Am) With nerves of steel you (E7) clamber
(F) With some people that you (E7) know
(Am) Walking up the (E7) stairwell
(F) You did it all (G) alone

(Am) With nerves as strong as (E7) steel
(F) And a heart as strong as (E7) stone
(Am) Something no one (E7) achieved
(F) You did it long (G) ago

(Am) Walking up the (E7) stairwell
(F) You step out on the (E7) top
(Am) You breath the thin air (E7) deeply
(F) It s a lonely rope to (G) walk

(F) Step out of the (G) void
Step out of the (Am) world
This is all you ve (G) got
This is all you (Am) got

(Am) You feel you soul is (E7) drifting
(F) Your feet can t feel the (E7) floor
(Am) You mind is sent to (E7) thinking
(F) Could this be the last thing that you (E7) saw

(Am) Fix the locks around the (E7) concrete
(F) You tie the rope around your (E7) waist
(Am) It s a feat thats almost (E7) complete
(F) A life is a terrible thing to (G) waste

(F) Step out of the (G) void
Step out of the (Am) world
This is all you ve (G) got
(F) Step out of the (G) void
Step out of the (Am) world
Give it one more (G) shot
(C) Step out of the (G) void
Step out of this (Am) world
This is all you (G) got
This is all you (Am) got

(Am) You balance and take the (E7) first step
(F) And feel the wind beneath your (E7) feet
(Am) The mist as you take a (E7) deep breath
(F) They find it hard to (G) believe

(**Am**) You feel you soul is (**E7**) drifting
(**F**) Your feet can t feel the (**E7**) floor
(**Am**) You mind is sent to (**E7**) thinking

This is all you (**Am**) got
