

Misty Mountain Cold
Howard Shore

Just repeat this structure :)

G		F		G
Far	over	the	misty	mountains
				cold.
G		Dm		G
To	dungeons	deep,	and	caverns
				old.
G			F	G
The	pin	were	roaring	on
				the
				height.
G		Dm		A
The	winds	were	moaning	in
				the
				night.
A		Dm		A
The	fire	was	red,	it
				flaming
				spread.
A		A#		G
The	trees	like	torches	blazed
				with
				light.

The chords are bared so it is not the ordinary pop chord but rock chords :) Hope

there is no misunderstanding :)

I have a slightly modified version but I dont know what the chord name is of that

G-chord but an ordinary G works well too :)
