

Misty Mountain Cold

Howard Shore

Just repeat this structure :)

G **F** **G**
Far over the misty mountains cold.
G **Dm** **G**
To dungeons deep, and caverns old.
G **F** **G**
The pines were roaring on the height.
G **Dm** **A**
The winds were moaning in the night.
A **Dm** **A**
The fire was red, it flaming spread.
A **A#** **G**
The trees like torches blazed with light.

The chords are bared so it is not the ordinary pop chord but rock chords :) Hope

there is no misunderstanding :)

I have a slightly modified version but I dont know what the chord name is of that

G-chord but an ordinary G works well too :)
