

**Song Of The Lonely Mountain**  
**Howard Shore**

1st verse:

**Fm** **Fm**  
Far over the Misty Mountains rise  
**Eb** **Fm**  
Lead us standing upon the height  
**Cm** **Gm**  
What was before we see once more  
**G#** - **Eb** **Fm**  
Is our kingdom a distant light

2nd verse:

**Fm** **Fm**  
Fiery mountain beneath a moon  
**Eb** **Gm**  
The words aren't spoken, we'll be there soon

For home a song that echoes on  
**G#** - **Eb** **Fm**  
And all who find us will know the tune

Chorus:

**Fm**  
Some folk we never forget  
**Fm**  
Some kind we never forgive  
**Eb**  
Haven't seen the back of us yet  
**Bbm**  
We'll fight as long as we live  
  
**Fm**  
All eyes on the hidden door  
**Fm**  
To the Lonely Mountain  
**Eb**  
We'll ride in the gathering storm  
**Bbm**  
Until we get our long forgotten gold

**Fm** **Fm**  
We lay under the Misty Mountains cold  
**Eb** **Fm**  
In slumbers deep, and dreams of gold

We must awake, our lives to make  
**G#** - **Eb** **Fm**  
And in the darkness a torch we hold

4th verse:

**Fm** **Fm**  
From long ago where lanterns burned  
**Eb** **Gm**  
Until this day our hearts have yearned

A fate unknown, the Arkenstone  
**G#** - - **Eb** **Fm**  
What was stolen must be returned
