

**G**                    **D**                    **E**  
to keep her feet down on the ground

**C**  
She ll need a miracle

**G**                    **B**                    **C**  
if she s ever to be found

**G**                    **Am**                    **Em** (B)  
yeah and I swear it won t be long

**C**                    **D**                    **E**    **D E C D**  
cause everyone loves to love a lie

3rd verse

**E**                    **C**                    **D**  
By the glow of a red light flashing

**E**                    **C D**  
she s a vision of poetry

**E**                    **C**                    **D**  
not sure just where she s crashing

**C**                    **D**                    **E**  
or who she s supposed to be

4th verse

**E**                    **C**                    **D**  
Doesn t know if it s him she s feeling

**E**                    **C**                    **D**  
doesn t know if it s someone else

**E**                    **C**                    **D**  
around the bend there s a wrong turn coming

**C**                    **D E**  
she s putting it on herself

Chorus

Bridge

**E**  
She ll go where she wants to go

where she wants to go

where she wants to go

Chorus
