A	-----			
E	-----			

(Play the opening riff over the verses)

It s your secret
Why would you tell it to me?
It s your lover on the television
Scream why would you not try to be?
Why would you not try to see?

Fm F# G# Bbm Fm F# G# Bbm

It s about your blue hair
I want to stay the night with you
You got the beamiest face
Car turns right I m into you
Right from wrong is not quite seen
Right from wrong is it everything?

C# G# Bbm F#
It s your secret
C# G# Bbm F#

It s your secret

C# G# Bbm F#

Tell it to me

C# G# Bbm F#

Tell it to me

Don t want to step on the cracks

The feeling is we didn t

You got the beamiest face

Car turns left I m into you

Taking sleepy pills for rest

Anxious love gets so obsessed

It s your love affair

On a quiet sunday afternoon

And your speedy pills

You should know i m into you

Why would you not try to be?

Why would you not try to see?
