Cause Im sittin on top of the world

worked all a summer

worked all a fall

I had to take christmas

in my overalls

But now she s gone

And i dont worry

Cause im sittin on top of the world

Goin down to the frieght yard

catch me a freight train

gonna leave this town

Work done gone too hard

But now she gone

And i dont worry

Because im sittin on top of the world

One summer day

She went away

She gone and left me

She gone to stay

But now she gone

And i dont worry

Cause im sittin on top of the world

Doc Watson Version:

Was in the spring one sunny day

My sweetheart left me

Lord she went away

And now shes gone  
And i dont worry  
Now lord im sittin on top of the world

She called me up  
From down in el paso  
She said come back daddy  
Oh i need you so  
And now shes gone  
And i dont worry  
Now lord im sittin on top of the world

If you dont like my peaches  
Dont shake my tree  
Get out of my orchard  
Let my peaches be  
And now shes gone  
And i dont worry  
Now lord im sittin on top of the world

now dont you come here runnin  
holdin out your hand  
im gonna get me a woman  
like you got your man  
and now shes gone  
and i dont worry  
now lord im sittin on top of the world
