Nightingale Howling Bells

[verse 1] Someday you ll hear my cry The lonesome nightingale Parched upon this broken branch My love has now set sail [chorus] C Em Come sing with me a melody In the dark of the night Em Come far away to nightingale s Make everything all right [instrumental] C - Em - G - D[verse 2] Every time I close my eyes The sun appears again High above this broken branch Will these wings ever mend [chorus] Come sing with me a melody In the dark of the night Come far away to nightingale s

Make everything all right

```
[instrumental]
C - Em - G - D
[verse 3]
I can hear the morning count
She lifts her weary head
High above this broken dream
To me her arms extend
[chorus]
                Em
Come sing with me a melody
In the dark of the night
            Em
Come far away to nightingale s
Make everything all right
[instrumental]
C - Em - G - D
```
