

**Nightingale**  
**Howling Bells**

[verse 1]

**C#** **G#**  
Someday you ll hear my cry  
**B** **C#**  
The lonesome nightingale  
**C#** **G#**  
Parched upon this broken branch  
**B** **C#**  
My love has now set sail

[chorus]

**B** **Ebm**  
Come sing with me a melody  
**F#** **C#**  
In the dark of the night  
**B** **Ebm**  
Come far away to nightingale s  
**F#** **C#**  
Make everything all right

[instrumental]

**B - Ebm - F# - C#**

[verse 2]

**C#** **G#**  
Every time I close my eyes  
**B** **C#**  
The sun appears again  
**C#** **G#**  
High above this broken branch  
**B** **C#**  
Will these wings ever mend

[chorus]

**B** **Ebm**  
Come sing with me a melody  
**F#** **C#**  
In the dark of the night  
**B** **Ebm**  
Come far away to nightingale s  
**F#** **C#**  
Make everything all right

[instrumental]

**B - Ebm - F# - C#**

[verse 3]

**C#                      G#**

I can hear the morning count

**B                      C#**

She lifts her weary head

**C#                      G#**

High above this broken dream

**B                      C#**

To me her arms extend

[chorus]

**B                      Ebm**

Come sing with me a melody

**F#                      C#**

In the dark of the night

**B                      Ebm**

Come far away to nightingale s

**F#                      C#**

Make everything all right

[instrumental]

**C - Em - G - D**
