

## Nightingale

## Howling Bells

[verse 1]

<b>E</b>	<b>B</b>
Someday you ll hear my cry	

D                      E

The lonesome nightingale

**E**    **B**

Parched upon this broken branch

**D** **E**  
My love has now set sail

[ chorus ]

**D** **F#m**  
Come sing with me a melody

**A** **E**  
In the dark of the night

**D** **F#m**  
Come far away to nightingale s

A	E
Make everything	all right

[instrumental]

D - F#m - A - E

[verse 2]

**E**                      **B**  
Every time I close my eyes

<b>D</b>	<b>E</b>
The sun appears again	

**E** **B**  
High above this broken branch

<b>D</b>	<b>E</b>
Will these wings ever mend	

[ chorus ]

**D** **F#m**  
Come sing with me a melody

**A** **E**  
In the dark of the night

**D** **F#m**  
Come far away to nightingale s

**A**                      **E**

Make everything all right

[instrumental]

[verse 3]

**E**                    **B**  
I can hear the morning count  
     **D**                    **E**  
She lifts her weary head  
**E**                    **B**  
High above this broken dream  
     **D**                    **E**  
To me her arms extend

[chorus]

**D**                    **F#m**  
Come sing with me a melody  
**A**                    **E**  
In the dark of the night  
**D**                    **F#m**  
Come far away to nightingale s  
**A**                    **E**  
Make everything all right

[instrumental]
