I have never known peace like the damp grass that yields to me  
 I have never known hunger like these insects that feast on me  
 A thousand teeth and yours among them, I know  
 Our hungers appeased, our heartbets becoming slow

(P1)  
We lay here for years or for hours

(P2)  
Thrown here or found  
To freeze or to thaw

(P1)  
So long we become the flowers

(P2)  
Two corpses we were  
Two corpses I saw

(R1)  
And they d find us in a week  
When the weather gets hot  
(R2)  
After the insects have made their claim  
(R3)

I d be home with you  
(R3)

I d be home with you

Repete a estrofe:

I have never known sleep  
Like the slumber that creeps to me  
I have never known color  
Like this morning reveals to me  
And you haven t moved an inch  
Such that I would not know  
If you sleep always like this  
The flesh calmly going cold
