Hozier - Shrike

[Intro]

C Dm F C
C Dm G C

[Verse 1]

C **Dm**
I couldn't utter my love when it counted
F **C**
Ah, but I'm singing like a bird, 'bout it now
Dm
And I couldn't whisper when you needed it shouted
F **C**
Ah, but I'm singing like a bird, 'bout it now

[Chorus 1]

Am **G**
Words hung above
C **F**
But never would form
Am **G** **C** **Am**
Like a cry at the final breath that is drawn
Am **G** **C** **Fmaj7**
Remember me love, when I'm reborn
Am **G** **C**
As the shrike to your sharp and glorious thorn

Dm Am G C

[Verse 2]

C **Dm**
Had no idea on what ground I was founded
F **C**
All of that goodness is going with you now
C **Dm**
Then when I met you my virtues uncounted
F **C**
All of my goodness is going with you now

[Chorus 2]

Am **G** **C** **F**
Dragging along, follow in your form
Am **G** **C** **Am**
Hung like the pelt of some prey you had worn
Am **G** **C** **Fmaj7**
Remember me love, when I'm reborn
