

**Spinning The Wheel**  
**Hudson Brothers**

**D** **G** **D** **G**  
Well I ve been asking the same old questions, so many years  
**D** **G** **D** **G**  
I don t know if I can find out the answers, my virgin ears  
**Bm** **G**  
Or maybe start drinking instead of this thinking  
**Bm** **G**  
And maybe start lying instead of this crying

**D** **G**  
How does it feel to be spinning the wheel with the girl you love  
**Bb**  
It could drive you crazy  
**D** **G**  
How does if feel to be spinning the wheel with the girl you love  
**Bb**  
It could drive you crazy  
I don t mean maybe  
**D**  
Yeah

I m tired of driving the same old bargains, so many years  
Live a life and pay the price forever, so many tears  
And if I could see you maybe then I d believe you  
And time after time I said I d never deceive you

Chorus

**Bm** **G**  
And maybe start drinking instead of this thinking  
**Bm** **G**  
And maybe start lying instead of this crying

How does it feel to be spinning the wheel with the girl you love  
It could drive you crazy  
How does if feel to be spinning the wheel with the girl you love  
It could drive you crazy
