Spinning The Wheel Hudson Brothers

C F C F

Well I ve been asking the same old questions, so many years

C F C F

I don t know if I can find out the answers, my virgin ears

Or maybe start drinking instead of this thinking

Am F

And maybe start lying instead of this crying

C

How does it feel to be spinning the wheel with the girl you love \mathbf{G}^{\sharp}

It could drive you crazy

C F

How does if feel to be spinning the wheel with the girl you love $\mathbf{G} \#$

It could drive you crazy

I don t mean maybe

C

Yeah

I m tired of driving the same old bargains, so many years Live a life and pay the price forever, so many tears And if I could see you maybe then I d believe you And time after time I said I d never deceive you

Chorus

Am E

And maybe start drinking instead of this thinking

Am F

And maybe start lying instead of this crying

How does it feel to be spinning the wheel with the girl you love It could drive you crazy

How does if feel to be spinning the wheel with the girl you love It could drive you crazy
