

**Battles**

**Hudson Taylor**

This song is really easy to play :)  
The strumming pattern is DDUD

NO CAPO!

[Intro]

**Em C Em C**

[Verse]

**Em**  
I was climbing now I m falling,  
**C**  
I ve been pushed off by a man,  
**Em** **C**  
who has made it to the top and now defends it cos he can,  
**Am** **Em**  
and I have found a breach in his front line  
**Em**  
I was open now I m hidden,  
**C**  
from the danger of his words,  
**Em** **C**  
I have found a good position and i ll play for what he s worth  
**Am** **Em**  
and he will find nowhere left to hide

[Chorus]

**C**  
I will lift her love and I ll break your spirit,  
**Em**  
I will dig a hole and I ll throw you in it,  
**C** **Am**  
only time will tell if we re all just cynics on the run.  
**Em**  
if we re all just cynics come undone.

[Verse]

**Em**  
I was losing now we re drawing

C

and I m not afraid to draw my blood

Em

C

I m not backing down so I d surrender cause you should

Am

Em

and face the truth you raise the flag I ll tear it down.

Em

You may have won the battle

C

but i ll take the fight to you

Em

and your flag is on the ground

C

Am

and your bones they rattle through, as they break you,

Em

your fear has now come true

[Chorus/ Bridge]

C

I will lift her love and I ll break your spirit,

Em

I will dig a hole and I ll throw you in it,

C

Am

only time will tell if we re all just cynics on the run.

C

if we re all just cynics come undone

Am

All just waiting for the gun,

C

we are tied to the truth,

Am

the tie that binds me to you

C

I m acting on my words,

Am

with all that I have heard,

C

with honesty in mind,

you ll find

Em

C

that I m not the liar see the truth in my eyes!

Em

C

No I m not the liar see the truth in my eyes!

[Chorus]

C

I will lift her love and I ll break your spirit,

Em

I will dig a hole and I ll throw you in it,

**C**

only time will tell if we re all just cynics on the run.

**Am**

**Em**

if we re all just cynics come undone.

(repeat chorus one more time, end on **Em!**)
