if we re all just cynics come undone
                    Bbm
All just waiting for the gun,

the tie that binds me to you

with all that I have heard,

with honesty in mind,

you ll find
      Fm                            C#
that I m not the liar see the truth in my eyes!
    Fm                              C#
No I m not the liar see the truth in my eyes!
