```
Speechless
Hudson Taylor
D
Let me begin as if it s over
Cause it makes it easier to say
I ll never have a better lover
Em
I ll never see a better day
Cause I just can t write about the present
It s just too good to put in words
If I could I d take a lesson
In how to say you mean the world
I m speechless I don t know how
            Α
Reducing me to a page
            Α
What are you feeling right now when I say
Won t you stay with me stay
You play the numbers and the figures
I don t have the head to do the math
But if you round it off into letters
Em
You would spell the perfect catch
I m speechless I don t know how
            Α
Reducing me to a page
             Α
What are you feeling right now when I say
Won t you stay with me stay with me
```

Won t you stay with me stay
