VERSES

CHORUS

MIDDLE 8

Bm -- D -- A -- E

Lyrics:

Make me believe ya
Make me think it s true
Ask me questions
which bare relevance to you

let me find my feet
Let me walk alone
Until I take my seat
Upon this empty throne

Chorus:

and I won t back down
and I won t stop before I get to where I m going

Allow me to see
Allow me to hear
Let me form a plan
and make it clear

And when I find my feet
You can walk with me
And when we take that road
Oh, that s when I ll believe

and I won t back down
and I won t stop before I get to where I m going
and I won t back down

Bridge:

because with every step
i m lead towards the truth
So there s no use in fighting
I ve no innocence left, armour has no use
Take my word it s all i have,
Cause fate is written in the stars
Give me courage, take my hand, take my heart

so I won t back down

And I won't stop before i get to where
And i won't stop now
before i get to where I'm going
