

What World
Human Highway

[Intro]

C

[Verse]

C F C
I try too hard to rule my world
G
Until everything else falls forgotten
C F C
I eat too fast all these foods I ve made up
Am G
Til the real ones all taste rotten
F C F C
I know the bugs don t care that I sit and I stare
Am E G
But I wouldn t want the little guy to go to waste
C F C
I wait too long and then the feeling s all gon
G
Can I borrow some feeling from you
C F
If you ask me why I let the river run dry
C A G
I guess so I can say that I have seen the bottom
F C F C
Cause the bottom only knows easy come easy go
Am Em G
Bottoms up, fill the cup and drink it down again

[Chorus]

F C Am Em F C F G
I m counting on you to misinterpret what I say
F C Am Em F C F G
Always fishing for reason but it s swimming away

[Solo]

C

C F C
I missed the point I lost the plot
G
Remembering stories I ve forgotten
C F C
So I laid my head in a washing machine
Am G

It felt so good to rub up against the cotton

F C F C

Cause the cotton only grows where the suffering goes

Am Em G

Bottoms up, fill the cup and drink it down again

[Chorus]

F C Am Em F C F G

I m counting on you to misinterpret what I say

F C Am Em F C F G

Always fishing for reason but it s swimming away

C
