

Columbus Day

Human Kitten

C, Am, G, F

I am not a man
Im a venue for anger and sadness
Stuck inside a land
Of concrete roads and 7/11s
Buying things
Wont make us happy
Consumer culture
Will make us feel crappy
About ourselves and our
Skewed senses of beauty
(end on C)

Am, G, F

Our dissatisfaction stems
From a history of compliance
Men and women buying
Things that they dont need at inflated prices

Am, G, F, Am

In a terribly futile search

F, G, C

For half-priced happiness
