

**Smoke Weed Every Day
Human Kitten**

A, E, D, E

Smoke weed every day
And brag about how your
Addicted to a drug
And promise the world
Youll make something creative
But you never do

D, E, (A, E, D)

And one day youll find yourself wasting away

D, E, A

On a futon, some day

A, E, D, E

Just drink away the pain
With a box of wine and a
40 ounce of Miller Light
And lay there feeling insane
Because we all know that
Its better than feeling normal

D, E, (A, E, D)

And one day youll find yourself wasting away

D, E, A

On a futon, some day

D, E (A, E, D)

And harmless drugs arent so harmless when you do them every day
And Im tired of seeing my family and friends wasting away
Because harmless drugs arent so harmless when youre filled with hate and pain
And Im tired of seeing my family and friends and myself wasting away
