

**Space Princess**  
**Human Kitten**

**C, G, Am, F**

I was supposed to be a missed carriage but the princess was on time  
I was supposed to be aborted but the spaceship was in line  
But I survived, my brain survived  
My heart it survived, I cant believe I survived

There was a civil war in debate class, not over owning human beings  
Theres nothing civil about war, what youre sayings not what it means  
Your self-righteous common sense doesnt make any sense  
Just because you love the government doesnt mean that you sense

**C, G, F, C**

In fact it means the opposite

**C, G, F, Am**

In fact it means the opposite

**C, G, F, C**

In fact it means the opposite

When I was 15, I was diagnosed  
With an anxiety disorder and depression I suppose  
My neurons are all fucked up and its hard to get a job  
But I guess its better than being a cultural amorphous blob  
You think that youre normal, but that doesnt mean that youre sane  
You think that youre normal, but that doesnt mean that youre sane

**C, G, F, C**

In fact it means youre insane

**C, G, F, Am**

In fact it means youre insane

**C, G, F, C**

In fact it means youre insane

I was supposed to be a missed carriage but the princess was on time  
I was supposed to be aborted but the spaceship was in line  
But I survived, my brain survived  
My heart it survived, I cant believe I survived

**F, C**

Growing up
