**G**

Damn I'm freezing

**Cadd9**

But I'm not leaving

**D**

**Am7**

I could stay here all night

**G**

**Cadd9**

It took me hours to find these flowers

**D**

**Am7**

It took me years to think of you

**D**

**Am7**

But when the good starts to turn

**G**

**C**

**G**

Arrest this heart of mine

**Em**

**C**

**G**

Arrest this heart of mine

**G**

The car's not working

**Cadd9**

So I've been walking around

**D**

**Am7**

and I've been drinking beer all night

**G**

Rehearsing my lines

**Cadd9**

Hello Goodbye

**D**

**Am7**

And all these years between the two

**D**

**Am7**

And when the good starts to turn

**G**

**C**

**G**

Arrest this heart of mine

**Em**

**C**

**G**

Arrest this heart of mine

**D**

**Am7**

There s something smoking in the afternoon

**D** **Am7** **G**

It s not a fire but the siren s ringing true

**C** **Am7**

Should i return and start again

**G**

Let s start again

**D** **Am7**

And when the good starts to turn

**G** **C** **G**

Arrest this heart of mine

**Em** **C** **G**

Arrest this heart of mine
