Verse

G

If you want to sit with

C

me, well yeah that s a start.

G

But if you want to hold my

F

hand, when everything is so

Em A

wrong, yeah that would be so wrong

G

I could hardly hear the

C

beat, through all the fuss.

G

I could hardly write a

F

thing, when everything is so

Em A C

loud, everything was so hard... for us.

Chorus

C

You don t

D Am

need me that s okay, still you come

D Am

wanting in every way. And when your

D Am

lying your eyes they say, that I don t want you

G C

coming around oo oo oo but I think you ll

G C

come oo oo oo oo oo oo

You were hard to turn away
I was outa luck.
All the sleeping that we fame,
I was willing to trust,
always willing to trust... some one.

You don t need me that s okay,
still you come wanting in every way
and all your lying now.
I don t want you coming around,
but I think you ill come.
But I will never know
we ll never know when you taking or giving

Yeah we will never know.
Are you coming around?
Are you coming around?
You don t need me that s okay
cause I don t want you around.
but I think you ll come. (x5)
