G **Bm**
Dirty conscience in my head
C **G5** **Am** **G**
Naked dreams that go unsaid
G **Bm**
You have put this fear in me
Em **C** **D**
Why won't you just let me be

Bm **Em** **C**
Leave me on this bed of flames
G **F#sus4** **Dmaj7**
Life can never be the same
Em **Em7** **C**
All that's left is guilt and shame
E **C5** **D** **Em**
I'm not sorry

G **Bm**
Trust is not a simple plea
C **G**
All I have is all of me
G **Bm**
You can't take what's in my heart
C **D**
Leaving pieces torn apart

Em **C**
Leave me on this bed of flames
G **D/F#**
Life can never be the same
Bm **Em** **C**
All that's left is guilt and shame
G **Em** **G** **C** **Dadd9** **Em**
I'm not sorry

In the flames of truth
The blind man can see
The cross won't save you
Travel with me

G **Gadd9** **G** **Bm**

As I lay me down to sleep

C **G**

Wicked thoughts through my mind creep

G **Bm** **F#5**

Fire burns me outside in

Bm **C** **D**

Maybe this will take my sin
