

Rainfall

Hungry Lucy

Am F C G

Am F E

Am  
Behind a wall  
Em  
There is a boy  
Am  
I ve tried to reach  
G  
For many years  
F  
Each time it rains  
G  
I see his face  
F  
I offer shelter  
E  
He walks away

Am F C G  
May you have brighter tomorrows  
Am F E  
The past you had was shrouded in deceit  
Am F C G  
May you be eternally beautiful  
Am F  
The way you are  
E  
The way you are  
Am  
To me

Am  
I had the chance  
Em  
To feel his pain  
Am  
I didn t look  
G  
Deep inside  
F  
My desperate hope  
G  
Wonâ€™t bring him back  
Am

It only kills

**E**

The love I have

**Am F C G**

May you have brighter tomorrows

**Am F E**

The past you had was shrouded in deceit

**Am F C G**

May you be eternally beautiful

**Am F**

The way you are

**E**

The way you are

**Am**

To me

**Am**

I walked away

**Em**

From the water s edge

**Am**

Feeling numb

**G**

From the cold

**F**

Now when it rains

**G**

I can t see his face

**Am**

I am weak

**E**

**Am**

And I have failed
