This world would change a lot about you baby if it could

D

But looking through the glass that I m seeing through

(Intro)

I wouldn t change a thing about, a thing about you

Verse 2

E

D

E

I run too fast, think too slow, change like the weather

I know you could do better

A **E** **D E**

Still don't know what you see

A **E**

You think your hair's too short and that your eyes are too green, girl

I don't know what you mean

D

Not that you are but if you're asking me

Chorus

C#m

But when I look at you

E

I know there's nothing to improve

A

Because you're perfect girl (Oh oh oh oh)

C#m

And every little move

E

And every little groove

A

Makes me sing (Oh oh oh oh)

E

C#m

A

This world would change a lot about you baby if it could
