

Dear God
Hunter Hayes

[Verse 1]

Here I go again

Three glasses in, counting my sins

C

Home alone again

G

Em

It s three in the morning, just me and my demons at war again

D

So I m calling in

C

G

Are You listening?

[Pre-Chorus]

Em

You made a man this fragile

You made a heart that can break

C

D

You show me the road less traveled

G

Though when I m gonna run away

Em

You make me love so hard

B

When everything I love just leaves

C

G

Are You sure there s nothing wrong with me?

[Chorus]

Em

G

B

And why does my life have to hurt so much?

C

G

Why can t I find any piece of love?

D#m

G

Em

And why do I feel like I m not enough?

C

G

B

Dear God, are You sure that You don t mess up?

[Verse 2]

Em

Do You still call it praying if

C

All that I do is sitting here cursing

Cursing Your name again

G

Em

The truth is it s not even You

It s just me that I m up against

D

But You made me this

C

G

Can we share the blame for this? Mmm

[Pre-Chorus]

Em

Cause after all You made a man this fragile

You made a heart that can break

C

D

You show me the road less traveled

G

Though when I m gonna run away

Em

You make me love so hard

B

When everything I love just leaves

C

G

Are You sure there s nothing wrong with me?

[Chorus]

Em

G

B

Cause why does my life have to hurt so much?

C

G

Why can t I find any piece of love?

D#m

G

Em

And why do I feel like I m not enough?

C

G

Em

Dear God, are You sure that You don t that You don t mess up

B

C

You don t mess up

G

Em

I know You don t mess up

C

I know that You don t mess up

[Bridge]

Em

I know this ain t for nothing

There s nothing You don t make

C

I know You got Your reasons

G

This shit s just hard to take

Em

I don t mean to criticize You

I know that I m hard to teach

C

G

I know You tell me there s nothing wrong with me

[Chorus]

Em

G

B

Yeah, but why does my life have to hurt so much?

C

G

And why can t I find any piece of love?

D#m

And why do I feel like I m not enough?
