## Light Me Up Hunter Hayes

I was a ferris wheel, in an empty field where nobody goes  G	G D	A
Had all the curtains drawn, sitting all alone, feeling like a ghost G D A I was a broke down heart brake bad in need of A little of loves electricity G D A busted carnival ride in the middle of the night A (stop) Then you flipped the switch, you turned on the show  Bm D G G You light me up, like fireworks flying on the fourth of July Bm D A You light me up, like the sunshine blazing in the summertime oh every time Bm D A You were the missing piece to my broken dreams, bringing them back to life G D A You look like a movie star, just the way you are makes me burn inside G D A You light me up, like the sunshine blazing in the summertime oh every time Bm D A You look like a movie star, just the way you are makes me burn inside G D A You light me up, like fireworks flying on the fourth of July Bm D G You light me up, like the sunshine blazing in the summertime oh every time Bm D A You light me up, like the sunshine blazing in the summertime oh every time Bm D A You light me up, like the sunshine blazing in the summertime oh every time Bm D A OH you light me up  Bm D A Chyou light me up  Bm D A Chy		_
