

Revenge

Hunter Valentine

Em
Revenge it ain t a sweet thing, revenge it ain t a sweet thing.
Em
I heard a rumor today, that you were coming my way.
Em **B**
I felt the sickness, the shame, then the anger.
Em
You saw my faith in you bend, it was a means to your end.
Em **B**
And when you said I was blind I believed you.
C **B**
And when you laughed as I bled, I swore that there would be death.
C **B**
I guess that revenge it ain t such a sweet thing.

Chorus

C **G** **D** **Em D**
I thought you knew you were my best friend.
C **G** **D**
I thought our love would stick it out to the end
C
You took my trust for granted
B
You said I wasn t worth it
C
You said I was so lovesick
B
Looks like I m coming after you.
Em
Revenge it ain t a sweet thing, revenge it ain t a sweet thing
Em
Revenge it ain t a sweet thing, revenge it ain t a sweet thing

Em
I took a cut from your knife you thought you had me for life
Em **B**
And now my mission is made with a mark
Em
I watched your face as you slept, those vicious secrets I kept
Em **B**
You showed your colors, now it s hard to hide
C
So look who s laughing loud now
B
I got that feeling of power
C **B**
I guess that revenge it ain t such a sweet thing.
