

Blind Eye
Hunters & Collectors

HUNTERS AND COLLECTORS, BLIND EYE.

Bm
When success is on your mind
G **Em**
But true direction is missing
Bm **G** **Em**
You know the Gods have lied - but you re still smitten.
Bm **G**
By the stars in your eyes
Em
I can tell you know where you are
Bm **G** **Em**
Smile sweetly and you ll be forgiven.
Bm **G** **Em**
You re almost free - almost free to come and go
Bm **G** **A**
Bed sitting room for ambitious prisoner.
D **A**

CHORUS

Walk away, don t take no for an answer
Bm
Turn a blind eye to it all
G
Let sleeping dogs lie
Em
Down in Queensway.

V:2

Bm
Like a bulldozer chasing butterflies
G **Em**
Down sad English streets you wander
Bm **G** **Em**
Over sleeping bodies you step lightly.
Bm **G**
All the snow on the ground
Em
- lets you pass by without a sound
Bm **G** **A**
One last look before you disappear.

REPEAT CHORUS

Walk away, don t take no for an answer
Turn a blind eye to it all
Let sleeping dogs lie
Down in Queensway.
