```
E                        C#m        E        B
Love and tears and pain on my face

E                   C#m              E              B
I got another million years of heartbreak

Chorus:
E                      C#m
That s the curse of being young

E                      C#m
That s the curse of being young

That s the curse of being young

Bridge:
A                 F#m
Well I know I m goin

        E                             C#m
But I know what s in store for me cause I ve

A         F#m
Seen my mama cry for

E                  C#m
Me, it hurt so many times that I

E                          F#m
Can t believe what my future holds

    E             C#m
Oh L-O-V (?), I can t believe it

A         F#m
Days of heartache and it s

A           F#m
Years of heartbreak and it s

A           F#m             E
A time of heartache for me
