

Let Go Of The Dream
Hurricane #1

G C G
The streets I thought would once be mine
C D
now follow me home
(D) C D Em
at the bus stop join the line
(Em) C D G
you ve got to let go of the dream
G C G
you wanted it all so young, so pay the price
C D C D
Em
the tragedy is you don t know what your sacraficing
(Em) C D G
and you gotta let go of the dream
C D
understand what i mean
(D) Em
it s a terrible scene
Em C G
and when your walking home
G D Em
will you remember what it was
Em C G
when your walking home
G D Em
will you remember who i was
Em C G
when you get back home
G D Em
will you remember that it was
Em C G (let chord ring)
only rock and roll

Success was just a fingers breadth away
and now you wonder what your going to do today
but you ve got to let go of the dream
rehabilitation seems to be
for once such as i an impossibility
so i d better let go of the dream
understand what i mean
it s a terrible scene
and when your walking home
will you remember what it was
when your walking home
will you remember who i was
when you get back home

will you remember that it was
only rock and roll
