THE GREATEST HIGH by Hurricane#1 tabbed by kingmokey@AOL.com

G **C**
She s got a brand new good friend
Em **C**
And only five minutes later
G **Em**
She s on the line any time
G **A**
I thought she said it s forever
Em **A**
It s getting me down
A **Em**
That I can t seem to win
Em **A**
So I walked down town
A **C**
Till some place draws me in
C **G**
And I watch myself drown
A **C**
From the inside
G **D**
I m counting all the tears you cry
C **G** **D**
Haven t you heard it s the greatest high?
G **D**
Feeling sorry but I don t know why
C **G** **Em**
But all you gave me was a lie

Took a five minute ride
In a glass elevator
And as we stared out the sides
I tried to tell her I missed her
She turns away
I can t see her face
She s cutting me off
Now I m in his space
And she s watching me drown
From the inside
I m counting all the tears you cry
Haven t you heard it s the greatest high?
Feeling sorry but I don t know why

And I m sitting here...

(repeat chorus)
