Spoken intro: Hey guess whos come to town ItÂ's Mister x and heÂ's looking for foxes And when he find that fox HeÂ's gonna have him some fun IÂ'm a black cat boogie lover I´m a red hot stud I´m a holy rolling coaster Shaking out of my love Got midnight shifts to work on Got money left to burn Got beer in my freezer Got nothing left to learn I´m your man IÂ'm the hoochie coochie toker IÂ'm the first in line There ainâ't no-one here to match me IÂ'm a lucky number nine Got snakeskin sneakers and a mohair zoot Big banana in my larder Baby just feel my fruit I´m your man Guitar solo I´m the honky mojo worker I´m the man with all the jive Foxes seem to stick around Like bees around the hive Thunder in my eyes Raining in my bones Lightning in my pocket Baby come on ride my storm IÂ'm your man I´m your man Guitar solo
