

How We End Up Alone
Hurt

Am7

theres no more use in lying

Am7

yeah, theres no more use in lying

C

Dm

to tell the truth i dont care what youll do

Am7

theres no more use in lying

Dm

theres no more use in trying

Am

when theres no more use denying

Am

Dm

I gave you the proof

Am

Dm

i dont care what youll do

F

we act in bitterness

Dm

D

and then we scream our very souls free

Dm

i would react but then my mask would slip and youd see me

i hate him, you love me

together we are nothing

Im fucking scared to be alone

C

then youll see from my way

C

because you will see from my way

F

thats how we end up alone

G

theres no more use in trying

D

there was no more use denying

if you paid your dues

i dont care it just proves

A#

thats how we end up alone

C

there was no more use in crying

C

if there no more use in hiding

G

you do what you do

i dont care it just proves.

G

nobody seems to care

cause nobodys ever here

D

nobody wants to listen

cause nobodys even there

F

so we end up alone

(Guitar Solo)

G

if you fear for my way,

Dm

well then, youd see it from my way

Dm

cause when you see it from my way

Dm

well then, you see it from my way

A#

you will see it from my way

D

because you will see things my way

i gave her my youth just

G

to make me the proof

Am

D

thats how we end up alone

Am

D

thats how we end up alone

D

because no one seems to care

C

because no one is ever, there.
