

**All I Want For Christmas Is New Year's Day
Hurts**

This is my first try ever to figure out chords of a song so I know it s not 100% correct. For any corrections please leave a comment and don t be to harsh, please. :)

C **F**
Everybody waits for Christmas
Am
for me it s New Year s Day
F
that s gonna come and take my blues away
C **F**
I m wishing on the stars for Christmas
Am
and hoping for a better day
F
when it doesn t hurt to feel this way

Am **Em** **F** **Am**
and everywhere there s joy around this festive time of year
G
but happiness has never felt so far away

chorus:

C
all of the bells ringing out for Christmas
F
I m singing goodbye to the year before
Am **F**
I know that the next one will be different so much more
C **F**
all of the bells ringing out for Christmas and I m not supposed
to feel this way
Am **F** **G** **C**
but all that I want this year for Christmas is New Year s Day

C **F**
it s only seven days till Christmas
Am
six more till New Year s Day
F

it s not a good time to feel this way

C everywhere the snow surrounds you **F**

Am
and melts your troubles away

F
I can only hope to feel the same

G I know that there ll be tidings of joy this time next year **F** **Am**

G
but happiness has never felt so far away

chorus (1x)

G
I remember how I used to feel at Christmas

chorus (2x)
