

Blood, Tears & Gold
Hurts

Blood, Tears and Gold - by hurts.

chords by me.. :) I got them by ear so if there are any mistakes you are welcome to tell me.

intro:

C **Dm** **Am** **F**

C

I never thought I could forget you

Dm

I never thought I d be the man I am now

Am

F

Just 20 seconds since I left you

C

Cause I could never be your lover

Dm

I found another girl to mess me around

Am

F

So you don t get to make me suffer

Am

Look into my eyes

Dm

There s really nothing left to lose

Am

But now I know

F

That I m never coming back to you

Refren:

C

Love grows cold

G **Am**
Blood, tears and gold

F
Won't make it any better

C
I never let you down baby [baby]

G
I never let you down baby [baby]

Am **F**
And it won't get any better

C
Blood, tears and gold.

C
It's 20 seconds since I left you

Dm
And I remember why I never looked back

Am **F**
I got no reason to forgive you

Am
I see it in your eyes

Dm
The suffering it hides the blue

Am **F**
But I know that it's never gonna hide the truth

C
When love goes cold

G **Am**
Blood, tears and gold

F
Won't make it any better

C
I never let you down baby [baby]

G

I never let you down baby [baby]

Am **F**
And it won't get any better

C
Blood, tears and gold.

bridge:
Dm G F C

Dm F

C
When love goes cold
