

Devotion

Hurts

I hope it is correct...

Verse 1

E

inside the heart of every man

F#

there is so much to understand

and i m just the same

E

when all the love has gone away

F#

and passion stares me in the face

could i walk away

Pre-Chorus

E

ears open

F#

G#

you ll help me to be brave

Chorus

E

F#

devotion save me now

G#m

B

i don t wanna stray from the hallow ground

E

F#

i ll turn temptation down

E

G#

i m asking you to take me to safety this time

Verse 2

forgive my thoughts when i m asleep

forgive these words i m yet to speak

i feel so ashamed

right now you seem so far away

so much confusion clouds my mind

and i don t know which path to take

Pre-Chorus

ears open
you ll help me to resist

Chorus

devotion save me now
i don t wanna stray from the hallow ground
i ll turn temptation down
i m asking you to take me to safety this time

Bridge (sorry, i dont know the chords for this part...)

devotion, devotion
i m a slave onto the mercy of your love
for so long i ve been so wrong
i could never live without you

devotion, devotion
take me to safety
