

D#m F# A#m C#
When my heart doesn't beat like it used to
D#m F# A#m C#
It's so easy to see I don't need you

Pre-Chorus 2

D#m F# A#m C#
It gets harder to love you, harder to hide what I'm feeling
D#m F#
And I'm lost in the night, going out of my mind
A#m C#
But I try not to think anymore

D#m F#
When I'm out of love, I turn and I run
A#m
But only you can make it better
C# D#m
Nothing will be bigger than us
F# A#m C#
When we're standing side by side

Post-Chorus

D#m F# A#m
Oh, oh, nothing will be bigger
C#
Nothing will be bigger
D#m F# A#m C#
Oh, oh, oh

D#m
When I'm out of love

F# A#m C#

D#m
When I'm out of love

F# A#m C#

D#m F# A#m
Oh, oh, nothing will be bigger
C#
