

**Somebody To Die For
Hurts**

[Intro] **Em7 G#m E B F#**

G#m

I could drag you from the ocean

E

I could pull you from the fire

B

And when you re standing in the shadows

F#

I could open up the sky

G#m

And I could give you my devotion

E

Until the end of time

B

And you will never be forgotten

F#

With me by your side

G#m

E

And I don t need this life

I ve got nothing left to live for

Got no reason yet to die

But when I m standing in the gallows

F#

I ll be staring at the sky

G#m

Because no matter where they take me

E

In death I will survive

B

And I will never be forgotten

F#

With you by my side

E

Cause I don t need this life

I was brave enough to die

That s deeper than my pride

Cause I will never be forgotten

Forever I ll fight

And I don t need this life
