B   C#m   G#m
I try to call but you don t pick up
      E   B   F#
So I order a cab cause I ve had enough

You think you re making a fool of me
             E   B   F#
There s a look on your face that I have to see

Pre-Chorus
G#m   F#
   Is there something I m missing?
E   B
 Something you re trying to hide
G#m   F#
   I m so tired of suspicions
E
 Tired of wondering why

      B
You turn on the lights
Open the door
   F#
Behind you I see
Clothes on the floor
     E
So tell me before I go
Is there something I need to know?
      B
I m not gonna lie
I knew all along
      F#
But this is your chance
To just prove me wrong
     E
So tell me before I go
Is there something I need to know?
